**Description of Three Friends (A2)**

Tara, Jeff, and Paul work together for a publishing company in New York City. They all were hired around the same time, and they quickly became great friends.

Tara is a tall brunette. She has blue eyes and freckles on her face. She is 24 years old, and she lives in an apartment in the city. She is very likeable and outgoing. She gets along well with all of her coworkers, and she enjoys spending time with them outside of work. Tara is a very ambitious young woman, and she hopes that all of her hard work will get her a promotion soon.

Jeff is a nice young man who moved to New York City from Boston. He is 25 years old. He has a great personality and is very funny. Jeff always makes his friends and coworkers laugh. His jokes are very amusing. His friends think he should be a comedian. At his job, Jeff organizes meetings, manages records, and answers phone calls. His company is happy to have such a dynamic personality working in the office.

Paul is a short, thin man. He is 28 years old. Paul lives in the suburbs, and he arrives to work every day by train. Paul is a writer for the publishing company. He enjoys writing at work and in his free time. Paul is a bit quiet and reserved, but his coworkers think he is very nice. For his age and experience, his company believes he is a very talented writer. The company hopes that Paul stays at his job for a very long time.
